

Easter egg coloring pages for your kids to decorate and enjoy that they won't even need to paint real ones. (However, they will probably still want to, because that's fun too!) This Easter coloring story is packed full of gorgeous designs from simple to slightly more intricate illustrations to keep children engaged for hours without overwhelming them. A great way to celebrate the spring holiday and keep your children off their devices while they get hands-on creative! Not only does it provide hours of fun, but it's also a fantastically clever outlet that teaches the true meaning of Easter and the Resurrection, and the real reason why we celebrate this glorious springtime holiday! Carefully chosen designs will provide hours of fun, excitement and creativity, before or after the Easter Bunny arrives with his (or her) basket of colorful goodies. So hop along and collect this wonderful find! (We have purposefully avoided overly intricate designs as well as overly simplistic ones for children 6-12, for coloring fun that will make their imaginations hop-it's not just a book full of simple shapes (though eggs are a pretty simple shape). The high-quality pages are also a nice, large 8.5x11 inch size)

Easter-Reverend Dr. Claude B. Hall 2020-12-14

Easter Victorious Resurrection may be read as a devotional or as a text for Bible Study or Sunday School. The themes of the book center around Lent and Easter but also include some Old Testament chapters that lay the foundation for the coming of Our Savior as the Good Shepherd.

Getting Ready for Easter-Laughing Elephant 2021-01-12

"Getting Ready for Easter describes the many ways in which the Easter Rabbit family prepares for Easter - from painting eggs and delivering them around the world, to the all-important hiding." -- Amazon

The Easter Parade-Richard Yates 2014-07-29

In *The Easter Parade*, first published in 1976, we meet sisters Sarah and Emily Grimes when they are still the children of divorced parents. We observe the sisters over four decades, watching them grow into two very different women. Sarah is stable and stalwart, settling into an unhappy marriage. Emily is precocious and independent, struggling with one unsatisfactory love affair after another. Richard Yates's classic novel is about how both women struggle to overcome their tarnished family's past, and how both finally reach for some semblance of renewal.
