

territory, faced with fear and uncertainty. As we dig into the story of how Joshua and the Israelites claimed God’s promised victory, we’ll discover that winning the worry battle requires more than having faith; it requires learning to fight in faith! Following their bold, courageous footprints, we’ll learn how to fight in faith as we internalize God’s promises, draw strength from God’s faithfulness, act in obedience to God’s commands, and believe what our limitless God can do. Through in-depth study of how God gave the Israelites victory over their enemies and generously blessed them, too, we’ll be equipped with biblical wisdom, encouragement, and practical tools that will enable us to overcome our daily worry struggles as well as the bigger battles of fear that we face. This comprehensive leader guide includes full session outlines featuring discussion questions, activities, prayers, leader helps, and more. Other available components, each available separately, include a Participant Workbook with five days of lessons per week, and DVD with six 20-25 minute sessions (with closed captioning).

Must-Win Battles-Peter Killing 2006-03-11

Must-Win Battles shows leaders exactly how to identify the 3 to 5 critical challenges most likely to make or break their businesses -- and then mobilize people and resources to successfully execute on them. This book draws on the authors' exceptional experience as world-class consultants and leading-edge business researchers, and builds on the highly successful executive program they created for IMD, one of the world's best business schools. The authors show leaders how to cut through uncoordinated initiatives, create a short list of true "must-wins," focus relentlessly on them, and infuse their organizations with renewed energy and effectiveness. Along the way, discover how to recognize which victories will make the greatest difference, avoid unwinnable battles, drive consensus when somebody's ox is inevitably being gored, make sure must-win battles are specific and measurable, and change the behavior of your top management team to lock in this laser-sharp focus for future battles.

The Power Of A Transformed Mind-Francis Jonah 2020-08-20

Success will flow effortlessly into your life once you follow the systematic mind renewal system presented in this book.

Battle Cry of Freedom-James M. McPherson 2003-12-11

Filled with fresh interpretations and information, puncturing old myths and challenging new ones, Battle Cry of Freedom will unquestionably become the standard one-volume history of the Civil War. James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty.

I Survived the Battle of Gettysburg, 1863 (I Survived #7)-Lauren Tarshis 2013-02-01

The bloodiest battle in American history is under way . . .

Winning the Battle for the Minds of Men-Dennis Peacocke 2005

Christianity once turned the world upside down, but today it is considered irrelevant. In this book Dennis Peacocke provides us with the answers. He exposes the lies that are crippling the church and reveals how we can recapture the Church's original vision and power for discipling all nations.

You Can Make It Through the Struggle-Carol Owens Ford 2008-02

If you want to win the battle, you must win the struggle. Say *čnoć* to the enemy. You are a winner not a loser. You may not see the blessing in your struggle now, but with the grace of God and a made up mind that nothing will hinder your walk with God; your struggle will become your testimony. We must clearly see and recognize that the God we serve is able to see us through the most difficult situations. His love and His grace can strengthen us to walk through the storms of life despite the struggles of life. There is a bright side coming. There is a good ending. Struggles don't have to bury us. They don't have to steal our joy. We can take one day at a time and see the beauty that it brings ... hidden somewhere between the struggle ... there is a ray of sunshine. Your greatest troubles can become your greatest triumphs. Losing the fight is not an option. Don't say you can't because you can! You can make it through the struggle!

Summary: Must-Win Battles-BusinessNews Publishing 2014-11-12

The must-read summary of Peter Killing, Thomas Malnight and Tracey Keys' book: "Must-Win Battles: How to Win Them, Again and Again". This complete summary of the ideas from Peter Killing, Thomas Malnight and

Winning the Battle Against Myself-Andrews R. Smith 2006-02

?Before you fight the war, you must first win the battle?. Most of our lives we've done things backwards. And even now, we continue on that same path. We submit to what others want us to do, instead of doing what God wants us to do. And in that, we have been caught up, held down, captured and betrayed. We've surrendered our lives to the Enemy and our hopes to shame. Wars consists of many previous ongoing battles. And if we are honest, we would admit that our present burdens were brought on by ongoing unsolved simple situations. Not simple in nature, but simple in its? approach to be solved. With many life changing experiences and divine help from God, Andrews R. Smith guides us through many of our past and present struggles, teaching us how to defeat our opponent the flesh. His writings are humorous, insightful and life changing. Dive into your life with this book and come out refreshed and victorious

Breaking the Power of Evil-Rick Joyner 2002

Joyner's novel equips the readers with the necessary weapons to create a breach in the access of evil in the world. Joyner declares that the battle is for the hearts of people.

No Battle Fought-Phil Geusz 2011-08-28

"Today's mission, Commander, is revenge. And may God have mercy on your soul." Even the ordinary sort of war is awful enough- people die, resources are wasted, and the survivors are scarred forever. But when unstoppable force comes up against an indomitable will to resist and the nukes begin to fly, well... Does war have a purpose? Or is it all just a meaningless blood-drenched spasm? When you're outfitted with thermonuclear weapons and you and your squadromates are giving all you have just to stay alive in the same sky with the enemy, well... Perhaps that's not the best time and place to ask such deep questions. Yet when you're a seventeen-year-old naval officer who doesn't expect to survive another hour, how can you not ask?

The Battle Axe-Mike Olawale 2020-11-04

Spiritual warfare is inevitable, so all believers must be prepared to confront it at one point or the other. It is crucial for every believer to have a thorough knowledge of how this warfare is conducted. Believers need to know the following: whom we are fighting; the level of the enemy's strength; the warfare tactics involved; our own weapon of victory; and how to win the war. The focus of this book is to wake up the sleeping warriors, the believers, and the anointed battle axes of the Most High God. To prepare each individual for spiritual battles, to teach you how to obtain your desired victories and triumphs, no matter how fierce the warfare or fiery dart the devil throws at you. This is a must read for everyone who seeks to lead a victorious life having understood that life is not a fun-fare but a warfare!
